Can Truck Drivers Use Cell Phones

Truckers who use cell phones and other devices while driving are injuring and killing people all across the country.. As you can see from the pages of this truck attorneys blog, these are not isolated incidents.. Cell phones are practically indispensable to today's truck drivers The days of stopping at a truckstop just to find a payphone and call your dispatcher or your family are long gone.. When was the last time you used a payphone? Cell phone convenience is a big time saver, and in trucking, time is money.. Yes, it is against the law No, that is not stopping them But there may be a better solution soon.
