The growing chaos of Tokyo is overshadowed by the looming edifice of the Babylon Project, the lynchpin of Japans plan to reclaim the land under Tokyo Bay.. Just then the most powerful angel yet arrives, launching a devastating attack against Nerv headquarters, brushing aside all resistance and threatening to consume the only thing Shinji holds dear.. Meanwhile, in the shadows, a new enemy has appeared: Kadaj, who holds the key to the destruction of all life.. If you are using an ADblock you probably wont be able to watch in HD and sometimes you will get errors like No video with supported format and MIME type found..
